INNOVAZIONI TECNOLOGICHE

OLMIZEN

HYDRAULIC HINGE

FOR TEMPERED GLASS DOORS

FREE UP YOUR SPACE.

OLMIZEN: THE PERFECTION OF MOVEMENT, THE BEAUTY OF GLASS.

Enhance the **elegance of glass** with the precision of **OLMIZEN solution**. The OLMIZEN hydraulic hinge combines **design, functionality, and harmonious movement** in every opening and closing, turning an everyday action into a stylish experience.

The result of OL.MI's expertise and commitment to quality, OLMIZEN provides **smooth, silent control, maximum reliability, and a clean, minimalist design** that fits naturally into doors, shower boxes, sauna and steam baths, for both residential and commercial environments.

Perfect with **tempered and laminated glass** or compatible with **medium-density wood doors**, OLMIZEN stands out for its custom-made cover kit, available in various finishes, which conceals all fixing screws to ensure a flawless aesthetic. **A versatile solution, designed to enhance any architectural project.**

THE PERFECT BALANCE OF PURE DESIGN AND PERFORMANCE

WHEN EVEN CLOSING BECOMES A DESIGN STATEMENT.
